Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind. disens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become ao prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urin-

rine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as

most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fiftycent and one dollar
